MEMORANDUM FOR: Executive Director, CIA Selection Board

SUBJECT : Application for Membership in the Career Staff - [REDACTED]

1. The attached application by [REDACTED] for membership in the Career Staff of the Central Intelligence Agency was reviewed by the Administration Career Board on 24 September 1954. The Board recommended to me that Miss [REDACTED] application not be favorably endorsed to the CIA Selection Board at this time. I concur in the Board's recommendation and herewith submit the application to you with the recommendation that [REDACTED] not be accepted into the Career Staff at this time.

2. The reason for not endorsing this application favorably may be ascertained by reviewing the history of security violations contained in this employee's personnel folder. In addition, a discussion with this employee's supervisor, Colonel Stanley J. Grogan, has indicated that he continues to be concerned that the employee may commit another security violation and cannot feel complete confidence in the employee in this respect.
